The Season of Creation is a time to renew our relationship with our Creator and all of creation through celebration, conversion, and commitment together. The season starts on 1st September, the World Day of Prayer for Creation, and ends 4th October, the Feast of St. Francis of Assisi, the patron saint of ecology beloved by many Christian denominations. During the Season of Creation, we join our sisters and brothers in the ecumenical family in prayer and action as the world's 2.2 billion Christians come together to care for our common home. Creation is not given to humanity to use and abuse, rather, humanity is created to be part of Creation and to care for it.

You might also like to join us and promote this Season of Creation Lecture: "Developing an Eco-Spirituality - To Hope and Act with Creation" on 19th September at 7.30 pm in Renehan Hall, St. Patrick's College Maynooth. Xavier de Bénazé SJ will explore eco-spirituality and Laudato Si' through different perspectives which reflect on the current environmental crises and how eco-spirituality is part of the solution.
