### Prisoners Sunday:

'Mercy, as the expression of God's love, is something we need to think about more deeply. Certainly, breaking the law involves paying the price, and losing one's freedom is the worst part of serving time, because it affects us so deeply. All the same, hope must not falter. Paying for the wrong we have done is one thing, but another thing entirely is the 'breath' of hope, which cannot be stifled by anyone or anything. Our heart always yearns for goodness. We are in debt to the mercy that God constantly shows us, for he never abandons us.

### October-Month of the Rosary.

John Paul II said that as a young man, praying the Living Rosary helped him realize that not only does Our Mother Mary direct us towards Christ, but Christ also directs us towards His mother. Christ is saying 'look what marvels I have worked for my mother.'  
Devotion to the saints and especially to Our Lady, is so important because it marks out why our faith is so special. God's grace is not something superficial but penetrates the core of our being. God has promised to make us like Himself.  
Our Lady is the first in whom this promise has been fulfilled, and so she is worthy of the highest of praise.

### Prayer of St. Teresa of Avila (1515-82). Memorial 15th October.

Let nothing disturb you,  
let nothing frighten you,  
all things will pass away.  
God never changes;  
patience obtains all things,  
whoever has God lacks nothing.  
God alone suffices.  
Amen.
