Aughavas Cemeteries: Concern was expressed at a recent meeting of Aughavas Pastoral Council about the leaving of portions of old discarded stone surrounds and other debris around the perimeter of Aughavas New Cemetery. When new or replacement works are being carried out at any of our cemeteries, all old and excess materials should be removed entirely, and not left lying around the cemetery grounds. Also, when old flowers, pots and other containers etc. are removed from graves, they should be taken away immediately from the cemeteries.
