Aughavas Cemeteries: Concern was expressed at a recent meeting of Aughavas Pastoral Council about the leaving of portions of old discarded stone surrounds and other debris around the perimeter of Aughavas New Cemetery. When new or replacement works are being carried out at any of our cemeteries, all old and excess materials should be removed entirely, and not left lying around the cemetery grounds. Also, when old flowers, pots and other containers etc. are removed from graves, they should be taken away immediately from the cemeteries.

Ascension

No matter what suffering there is in the world and in our lives there is also beauty. We cannot explain why it is so, we can only accept that it is so. In accepting suffering, we are also free to accept the savour all the more, the beauty we see and experience in the world. Try praying for others: hold close to your heart in prayer all those who are suffering at this time; hold close to your heart in prayer all those who are sick; hold close to your heart in prayer all those who do not or cannot see beauty in their lives at this moment.

Offertory Collection: (24th/25th May) **Aughavas €495.00** (25th May) **Cloone €605.00**
