A Prayer for Guidance

Lord, I know that you love me and have great plans for me. But sometimes I get overwhelmed by the thought of my future. Show me how to walk forward one day at a time. May I hear your call to a life which will allow me to love as only I can, and allow me to serve others with the special gifts You have given me.

Community of love

The Trinity is a *mystery* that we are to experience with our hearts not with our heads. It is not a puzzle or a riddle that we are expected to answer or solve. When we use the word 'mystery' to talk about and describe the Trinity, we are talking about a reality that is so endlessly rich and profound that it will never be exhausted. The more we contemplate and pray about the reality and presence of the Trinity in our lives, the more of itself will be revealed to us. Through the Trinity, God creates and loves us, Jesus liberates and saves us, and the Spirit encourages and strengthens us. The Trinity is a community of love and life that we are invited to be a part of and share in.

When we look at the news on our television or read the newspaper any day, we are often presented with news of violence, segregation, and building walls. There is the reality of individuals and indeed some countries speaking about and defending their rights at the expense of dialogue and cooperation with other nations. People of different religions in the same country are often not only disagreeing with each other; they are actively fighting each other. Sadly, there is division where there could be unity, there is aggression where there could be understanding, and there is suspicion where there could be trust and mutual respect. The Trinity offers us a model of sharing, belonging and community. It also challenges our individualism and our demand that our rights be met all the time. The Trinity asks us to be mindful of our responsibilities to those around us in our families, our neighbourhood, and our parish community.
