October is the month of The Holy Rosary

Years ago, I read a little spiritual gem called *The Secret of the Rosary* by *St Louis de Montfort* and learned about the abundant graces and even miracles that have been attributed to the Rosary. Many Saints who were devotees of the Rosary attested to this, as well. Even in our modern day, Our Lady and Jesus are knocking on the doors of human hearts through this beautiful prayer. I have a few friends who were adamantly anti-Catholic yet converted to the church after being introduced to the Rosary. We must never underestimate the showers of graces we receive when praying it.

- ST. John Paul II

A soul blessed in all things

Divine action cares only for a willing heart and takes no account of any other faculty. Should it find a heart that is good, innocent, honest, simple, submissive, obedient and respectful, that is all it looks for. It takes possession of that heart, controls all its faculties and everything turns out so well for the souls that they find themselves blessed in all things.
