**Robberies:** Robberies were carried out in car-parks at Aughavas Church and a number of other churches in Sligo and Leitrim while people attended Masses last weekend. It is most regrettable that some unfortunate church-goers fell victim to theft and vandalism. This is surely one of the meanest forms of criminality that anyone could imagine. We advise parishioners and visitors not to leave cash, purses or bags, mobile phones, tools or other valuable items in cars during Masses or other church services. Of course it is wise to be vigilant at all times, whether we are at our own homes or out on business. Anyone who has information regarding suspicious behaviour in our parishes last weekend should pass on that information to Carrick Garda Station, 071-9650510. Our Parish Councils will discuss ways in which we might be able to deter criminal activities around our churches.
