15th April 2018

Choose Life 2018: What if my baby won't survive? Many parents who received this news and continued their pregnancy to term say the chance to hold and care for their child, even if just for a few moments, helped them to grieve and heal after their child passed away. They have memories that they cherish and are consoled knowing they did all they could to care for and love their sick baby. As a society, we should strive to increase and improve perinatal hospice care and support for these babies and their families. *One Day More* and *Every Life Counts* are Irish charities which offer support to mothers and fathers of babies with life-limiting conditions. They enable families to make meaningful plans for their child's life, birth, and death, in a way that honours the baby as well as the baby's family.

You are invited to a Six-Session Parish Conversation on Family:
 Families are important for the future of the world and the future of the Church. Pope Francis in his recent encyclical letter on the family, *Amoris Laetitia* (The Joy of Love), presents the Christian vision of family life and invites and challenges all of us in our parishes to have conversations about family. To facilitate our response to this invitation our bishops and lay collaborators have provided us with excellent resource material (*Let's talk Family! Let's be Family!*) which allows us to explore key messages in *The Joy of Love* in a very accessible and practical way. These conversations take place in small groups of 5-6 in such a way that enables everyone to have their voice heard and respected. Please let Fr. Peter know if you would like to participate in these sessions or contact Richard and/or Sharon Foran at 087 3616587 or 089 9677490.
