Data Protection Legislation: Under new Data Protection legislation, it is a requirement that we have the consent of people whose names we publish in the Newsletter on occasions, e.g. Eucharistic ministers, counters, readers, servers, those who supervise in the Sacristy and Parish Pastoral Council. I will leave copies of a consent form in the Sacristy beside the servers register. The form is very short and only takes a few moments to fill. However, this consent form is an essential element of Data Protection compliance. I would be very grateful if you could treat the completion of this form as a priority. Any time you are at Mass you may call in and fill the form.
