The Bible

Read the Bible as though it were something entirely unfamiliar, as though it had not been set before you ready-made...Face the book with a new attitude as something new... Let whatever may happen occur between yourself and it. You do not know which of its sayings and images will overwhelm and mould you... But hold yourself open. Do not believe anything a priori; Read aloud the word written in the book in front of you; hear the word you utter and let it reach you.

Offertory Collection: Aughavas € 685.00; Cloone € 655.00.
