Christmas can be a very sad and lonely time for many. Are you feeling sad, depressed or suicidal? GROW provides support services to individuals managing depression or bipolar disorder. GROW Groups offer an opportunity for people, over the age of 18 years, to talk openly about depression, bipolar disorder, other mood conditions and their impact. Peers share their experience and understanding and offer an exchange of thoughts and techniques around self-care and resilience in a supportive, confidential and pro-active environment. "You alone can do it, but you can't do it alone". If you would like to talk to somebody call our info-line on: 1890 474 474.
