Pope Francis—Love in the Family:

The word of God tells us that the family is entrusted to a man, a woman and their children, so that they may become a communion of persons in the image of the union of the Father, the Son and the Holy Spirit. Begetting and raising children, for its part, mirrors God's creative work. The family is called to join in daily prayer, to read the word of God and to share in Eucharistic communion, and thus to grow in love and become ever more fully a temple in which the Spirit dwells.

Every family should look to the icon of the Holy Family of Nazareth. Its daily life had its share of burdens and even nightmares, as when they met with Herod's implacable violence. This last was an experience that, sad to say, continues to afflict the many refugee families who in our day feel rejected and helpless. Like the Magi, our families are invited to contemplate the Child and his Mother, to bow down and worship him (cf. Mt 2:11). Like Mary, they are asked to face their family's challenges with courage and serenity, in good times and bad, and to keep in their heart the great things which God has done (cf. Lk 2:19,51). The treasury of Mary's heart also contains the experiences of every family, which she cherishes. For this reason, she can help us understand the meaning of these experiences and to hear the message God wishes to communicate through the life of our families.
