Diocese of Ardagh and Clonmacnois Public Worship from 10th May 2021:

Mass

The number of people who can gather in any church is governed by the following 2 criteria:

- 2 metre distance must be maintained between each individual/household group.
- The maximum number of people allowed to gather in in church is 50.

Many of our churches cannot accommodate the maximum number of 50 because the size of the church does not meet the requirement for 'social distancing'. In such cases the requirement for 2 metres determines the maximum number allowed into the church. Some churches, because of their larger size, may find that using the 2 metres distance requirement, they can accommodate a slightly larger number. However, in this case, they are restricted to 50 (the maximum permitted).

Please also note the following:

- Household group – individuals must be counted to ensure you are not exceeding the maximum number in an indoor setting (50).
- The celebrant should wear a face covering when entering and exiting the sanctuary and for the distribution of Holy Communion.
- Holy Communion is to be distributed on the hand only.
- Holy Water fonts to be left empty.
- Care should be taken that hosts are not in danger of being contaminated by airborne droplets.

Funerals

From 10th May 50 mourners are permitted at a Funeral Service.

Marriages

From 10th May 50 guests are permitted at a marriage ceremony.

First Friday and Communion Calls

First Friday calls may take place with the prior approval of the household.

When visiting use a face covering, sanitise hands before and after and stay a short time. Several houses should not be visited during the one day. Anointing are carried out using a disposable cotton bud.

Confessions

The Sacrament of Penance may take place in the church (not in the confessional) or outside the church, maintaining social distancing and using face coverings.

Singing

As with previous reopening for religious services congregational singing and choir singing is not permitted.

Solo singing with accompanist is permitted subject to compliance with detailed guidance contained in HSE Covid-19 Guidance for Religious Services.

Outdoor Worship is not permitted in line with Government restrictions on organised outdoor gatherings.
