THE SEASON OF CREATION, 1st September - 4th October 2021: In Laudato Si we read: (The earth) cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods with which God has endowed her. We have come to see ourselves as her lords and masters, entitled to plunder her at will. The violence present in our hearts is also reflected in the symptoms of sickness evident in the soil, in the water, in the air and in all forms of life. This is why the earth herself, burdened and laid waste, is among the most abandoned and maltreated of our poor; she "groans in travel" (Rom 8:22). We have forgotten that we ourselves are dust of the earth (cf. Gen 2;7); our very bodies are made up of her elements, we breathe her air and we receive life and refreshment from her waters.

Over the last year we have seen how the earth has been ravaged by unprecedented fires, floods and heat waves. The world has grappled with a virulent respiratory disease that brought the world to an enforced slow down. It offered people the opportunity, amidst great hardship and grief, to pause and reflect on their own lives and their relationship with all of creation.

Laudato Si' is an attempt to redefine the relationship between humans and the rest of creation, so that we can soon reach a point where the basic needs of all humans will be met in a way that does not endanger the rest of creation or irreversibly damage it.

Day for Life 2021 – This year's *Day for Life* will be celebrated in Ireland on Sunday 3rd October on the theme 'The Good Samaritan: A Model of Compassion'. In the context of the recent proposal to introduce assisted suicide, both in Ireland and the UK, this year's *Day for Life* message invites Catholics to consider a more positive and compassionate response to the care of people who are in the final stages of life. See www.councilforlife.ie for more.
