Weekday Masses in Cloone and Aughavas: People may attend Mass on weekdays in Cloone and Aughavas. It will be the responsibility of those attending Mass to sanitise the area which they are occupying. This will mean that those attending will need to bring their own sanitising wipes and take care of the area which they are occupying.

The sick and housebound: Those who are housebound and would like to receive Holy Communion please contact Fr. Peter Tiernan or ask a member of the family to contact me.

The Irish Catholic: The Irish Catholic newspaper is available each week in both churches. It costs €2.50. Please put the money for the newspaper in the Candle Shrine.

Trócaire East Africa Hunger Crisis: A terrible hunger crisis is raging across East Africa, driven by escalating climate change, conflict, swarms of desert locusts, and Covid. Over 30 million children, women and men are being pushed into starvation. People and their livestock are dying. Without emergency food and aid, many more won't survive. Lives depend on our ability to reach them. Trócaire staff and partners are on the ground in the worst-hit regions: the countries of South Sudan, Somalia, and Ethiopia, and the state of South Kordofan in Sudan. We are rushing emergency food and aid into devastated communities to keep people alive, and working with tireless local church groups to do all we can. We must respond and every cent makes a massive difference. But the human suffering is

enormous. The support you show will be there beside Trócaire in the weeks and months to come by helping deliver emergency food baskets to desperate families, provide schools and communities with safe water, fund drought-tolerant seeds plus hay and medicine so farmers can save livestock and have hope of a harvest, and equip stretched health centres to treat tragic levels of malnutrition. If you did not bring your contribution to-day, please bring it next weekend and put it into the collection basket in an envelope marked 'Trócaire'.

Diocesan Assembly: The Covid pandemic is widely recognised as a hugely significant event that will have long term impacts on our society. The 3 assembly delegates from Cloone and the 3 assembly delegates from Aughavas will be looking to gather a sense of how Covid has impacted on our community including people who are church going and people who are not. There will be a meeting of the 6 delegates from Cloone and Aughavas in St. Mary's church, Cloone on Monday 15th November at 8.00 pm.

Annual Insurance paid last week: Cloone: €3,109.17.
 Aughavas Church: € 3,704.13.
 Rossan Church: 1,268.11.
 Aughavas House: 369.87.
Total: € 5,342.11.
