### A prayer for the Earth (from *Laudato Si*, 246)

All powerful God, you are present in the whole universe and in the smallest of your creatures.

You embrace with your tenderness all that exists.

Pour out upon us the power of your love,  
that we protect life and beauty.

Fill us with peace, that we may live  
as brothers and sisters, harming no one.

O God of the poor,  
help us to rescue the abandoned and forgotten of this earth,  
so precious in your eyes.

Bring healing to our lives,  
that we may protect the world and not prey on it,  
that we may sow beauty, not pollution and destruction.

Touch the hearts  
of those who look only for gain  
at the expense of the poor and the earth.

Teach us to discover the worth of each thing,  
to be filled with awe and contemplation,  
to recognize that we are profoundly united  
with every creature

as we journey towards your infinite light.  
We thank you for being with us each day.

Encourage us, we pray, in our struggle  
for justice, love and peace.

### The Eucharist and Creation – Pope Francis, *Laudato Si*' 236

'The Eucharist is an act of cosmic love: yes, cosmic! Because even when it is celebrated on the humble altar of a country church, the Eucharist is always in some way celebrated on the altar of the world. The Eucharist joins heaven and earth: it embraces and penetrates all creation. The world which came forth from God's hands returns to him in blessed and undivided adoration. In the bread of the Eucharist creation is projected towards divinisation, towards unification with the Creator himself.'
