The Gift of Time

The Gift of Time is not ours alone. It is given equally to each person.

Rich and poor, educated and ignorant, strong and weak—every man, woman and child has the same twenty four hours every day.

Another important thing about time is that you cannot stop it.

There is no way to slow it down, turn it off or adjust it. Time marches on.

And you cannot bring back time. Once it is gone, it is gone.

Time is one of our most precious possessions. We can waste it. We can worry over it. This new year is full of time. As the seconds tick away, will you be tossing time out the window, or will you make every minute count?

Offertory Collection: Aughavas € 960.00; Cloone € 695.00
