Eucharistic Congress:

A Eucharistic Congress is an International gathering of people from all over the world which aims to :

- Promote an awareness of the central role of the Holy Eucharist in the life and mission of the Catholic Church.
- Help in improving our understanding and celebration of the Liturgy.
- Draw attention to the social dimension of the Eucharist which is exemplified in the theme for the congress.
- Communion with Christ and with one another.

Communion with Christ I understand but what is Communion with One Another?.

If I am united with Christ in the Eucharist and you are also united with him in the Eucharist, then we are united with one another, parts of the one body.

The Eucharist draws us into intimacy with Christ but it also challenges us to include others and make them welcome.

St. Paul wrote that all who share the same spiritual food share the same source of life: one bread, one body. At the end of mass we are sent out on the mission to love and serve the Lord beyond the walls of the church.

As St. Augustine said to communicants: you are the Body of Christ (through Baptism); receive the Body of Christ (Eucharist); become the Body of Christ (mission and challenge).

Blessed John Paul 11 said "Let us be generous with our time in going to meet him in adoration and in contemplation that is full of faith and ready to make reparation for the great faults and crimes of the world. May our adoration never cease."

One of the new dismissals at the end of mass says to us:

'Go in peace, glorifying the Lord by your life'.

We glorify the Lord as we love and serve one another.
