Reflection: The Beatitudes of Life: (Those who are ready to meet the Master).

Blessed are the faithful:

they are like safe anchors in a world of broken moorings.

Blessed are the just:

they are to society what leaven is to bread.

Blessed are the generous:

they keep alive our faith in the essential goodness of people.

Blessed are the caring:

they shine like beacons in a world darkened by indifference.

Blessed are the genuine:

they glow like gems in a world of falseness.

Blessed are those who are not afraid of sacrifice:

on the day of the harvest they will sing for joy.

And blessed are those who refuse to look back:

they will be found worthy of the Kingdom of Heaven.
