DAY FOR LIFE: This Sunday 5th October is a day to celebrate the Annual Day for Life. The theme of this year's day for life is "protect and cherish life".

Every one of us young and old alike can play our part in the promotion of life. Our every thought, word and action can promote or extinguish life – we all have a contribution to make. Pope Francis speaks of "protecting people, showing loving concern for each and every person, especially children, the elderly, those in need, who are often the last we think about". He emphasises the importance of the family: "husbands and wives first protect one another, and then, as parents, they care for their children, and children themselves, in time, protect their parents". www.dayforlife.org.
