The theme for this year's Mission Month of October is "That they may have life". Pope Francis urges us to immerse ourselves in the joy of the Gospel. Sharing this message of Faith and hope to our modern world is our Christian duty, as is assisting financially the growth of our young churches in the South. Please help us at World Missions Ireland to share that gift of faith through your prayers and financial support of our missions. St. Mel's Cathedral update: As the five year restoration project of St. Mel's Cathedral nears completion, the people of the Diocese eagerly look forward to a wonderful reopening. It is with great joy that we anticipate to having St. Mel's Cathedral back as our place of worship at Christmas time. We are indebted to the many people who have worked tirelessly to restore the Cathedral after the devastating fire of Christmas 2009.

Arrangements are currently being made for the opening weekend. We are pleased to open the building for public viewing and to celebrate Masses on the weekend before Christmas. Two of the Christmas Masses will be broadcast with the wider public courtesy of RTE Television; Midnight Mass and the 10am Mass on Christmas morning will be televised. Seating for all Masses will be on a first come first served basis.
