Year of Consecrated Life: This year has been designated by Pope Francis as a year of Consecrated Life. This is a year to acknowledge the contribution that Religious Brothers and Sisters have made to the life of church and society in health and education and other ministries too. It is also a year to encourage and call new people to dedicate their lives to Christ in the service of needy people.

I would like to find out who are the Brothers and Sisters from this parish who are still living. Where are they now based? If there is a connection of your family who is a Religious Brother or Sister, would you be able to get a photo and a short biography to accompany the photo? I would like to display this on a board later in the year, in the church. If you have any information that might be useful, please contact Fr. Peter Tiernan.
