TWENTIETH SUNDAY IN ORDINARY TIME

John continues his great discourse (Talk) on the Eucharist. Today's extract invites us up to the heights of faith to accept that in Eucharistic Bread we share in the divine life of Christ.

An ancient antiphon beautifully expresses this doctrine of the Eucharist: 'This is the Holy Supper in which Christ is received, The memory of his passion is recalled, The soul is filled with grace, And our future glory is guaranteed.'

Pope Pius XI 'If you have received worthily, you are what you received.' St Paul to the Galatians: 'It is no longer I who live but Christ lives in me.'
