## SECOND SUNDAY IN ORDINARY TIME

### Our call to all: Choose Life

**Our public representatives now face a critical decision.** They can preserve the current medical practice which guarantees necessary treatment for women in pregnancy while respecting the right to life of the baby. Or they can choose to introduce abortion to Ireland for the first time, with all the tragic consequences this will have.

**Faced with this decision,** we ask our public representatives to make a positive choice. Every human life is beautiful, every human life is precious and every human life is sacred: **Choose Life!**
