the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith. Hosting a global event of this size requires a huge amount of planning and financial outlay on behalf of the host country. Accordingly, our bishops have now established a National Finance Committee to provide advice on the financial planning for the World Meeting of Families in Ireland. To support the hosting of the event we intend to hold three national Church collections, the first of which will take place on the weekend of 28th/29th May. Please put your contribution in a separate envelope marked 'World Meeting of Families'. The remaining collections will take place in 2017 and 2018. Please visit worldmeeting2018.ie for more details.
