5th Aug. 2012

EIGHTEENTH SUNDAY IN ORDINARY TIME

The readings of today lead us forward from the satisfaction of physical needs to attend to the hunger of the soul which God alone can satisfy. That hunger can only be satisfied by the Table of the Word (Readings) and the Table of the Bread (Eucharist).

St. Justin has left us an account of the Christian Sunday Celebration around the year 150. All who are in the towns and in the countryside gather together for a community celebration. The memoirs of the Apostles and writings of the Prophets were read..... then the president of the assembly addresses the people....enabling the people to read the book of everyday life in the light of the revealed book.
